

Protect Progress. Fund Diabetes Programs.

Federal programs across the NIH and CDC are essential to Arizona's fight against diabetes. Cuts threaten the research, prevention, and infrastructure supporting the 731,900 adults in Arizona living with diabetes.¹

NIDDK | National Institute of Diabetes and Digestive & Kidney Diseases Current Funding: **\$13.4M**

- The NIDDK currently funds **30 projects** across Arizona, with **\$3.8M** committed to diabetes-related research in 2024 alone.^{1,2}
- The NIDDK supports **5 active clinical trials**.³
- Cuts would threaten this nationwide research engine that advances care and improves health outcomes for over 730,000 Arizonans.

\$13.4M Supporting
30 Projects

5
Clinical Trials

\$3.8M
in Diabetes Research

DNPAO | CDC Division of Nutrition, Physical Activity, and Obesity FY 2024 Funding: **\$1.5M**

- Cuts would affect **\$1.5M** working to reduce the risk of chronic conditions through nutrition access, physical activity infrastructure, and obesity prevention:
 - **\$880,000** to the Arizona Department of Health Services for the State Physical Activity and Nutrition (SPAN) Program.
 - **\$680,038** to Prima County Health Department for Racial and Ethnic Approaches to Community Health (REACH) Program.⁴

Expanding Nutrition Access

through fruit and vegetable incentive programs and healthier worksite food practices.

Promoting Early Health

with farm-to-school programs, provider education, and breastfeeding support.

Encouraging Active Lifestyles

by developing community programs that promote physical activity in the workplace.⁵

National DPP | CDC National Diabetes Prevention Program Current Funding: **\$1.1M**⁶

- National DPP supports diabetes prevention programs for **over 10,000 enrollees** offered by **25 organizations** across **15 cities**.^{7,8}
- Cuts would disrupt access to evidence-based lifestyle interventions shown to reduce the risk of type 2 diabetes by **58% in adults** and **71% among seniors**.⁹

10,069 Arizonans
across 15 Cities

DDT | CDC Division of Diabetes Translation Current Funding: **\$1.7M**

- Cuts would threaten **\$1.7M** that supports the Arizona Department of Health Services in tracking, preventing, and managing diabetes.⁷

34 Diabetes Self-Management Education and Support (DSMES) service providers.

20,452 Arizonans with diabetes that have used DDT DSMES.
